

KEEPING in TOUCH

VOLUME 2 EDITION 1 SUMMER 2010

*"Keeping you solvent" and
Keeping you in Touch!*

STAFF NEWS

Jafta Masinga

In December 2009 we heard the sad news of the passing of Jafta Masinga. Jafta worked for the company for 11 years. Jafta retired from Tag in 2007 but kept in contact with the company, he will be missed. Our regards and sympathies go out to his family.

Rugby Fever

The start of the Super 14 is around the corner and there is a keen interest amongst the team at Tag. Support is mainly split between the Blue Bulls and the Sharks with a couple of die hard Lions fans still dreaming of a change in fortunes. Amanda Doherty who is an orders clerk at the company is a huge Sharks fan and is seen here with Stefan Terblanche.

Sindi gets married

Our receptionist Sindi got married in a "traditional service" on the 31st of October 2009. Below is a picture from the "Umembeso". We wish Sindiswa & Sibusiso Mfeka all the best for their future together.

A Warm Welcome to 2010!

We hope that all of you have had a great holiday season and are looking forward to 2010. These are exciting times for the country and we are all looking forward to an exciting and successful world cup in South Africa.

This is the first newsletter of 2010 and although there is not a lot of news to start off with we've certainly got some plans and are working on a couple of new exciting ideas that we hope to implement in 2010.

As already indicated in Newsletter 2 we are pleased to announce the introduction of Waxes to our range of products in 2010. Waxes are available with immediate effect. For a list of the waxes, or more information, please do not hesitate to contact our Sales Team.

HIV/AIDS Day December 2009

As explained in last year's newsletter the company gets involved in HIV/AIDS day every year. This year it was arranged that all staff wore t-shirts and wrist bands to show support for the cause.

Thanks to Betty for all her hard work for this worthy campaign. The company will have an HIV/AIDS policy out this year and is planning to provide access to counselling and testing if requested by employees.
